Where Luxury Meets the Wine List

8 Day Cruise on the Rhine & Moselle

June 19–26, 2028

Meander down two of the prettiest rivers in Europe, the Rhine and Moselle, whose banks are lined with ancient, ruined castles and impossibly steep terraced vineyards (so many that you'll lose count!) stopping to explore historic cities and quaint, cobbled wine villages.

Visit Trier, the oldest city in Germany, famous for its Roman amphitheatre, baths and the imposing Porta Nigra, the huge, fortified gate that formed the eastern border of the Roman Empire.
